[ ] 50g (1/2 cup) Grated Pecorino Romano or Parmigiano-Reggiano
[ ] 3 tbsp Ricotta Cheese or Whole Milk (keeps the air-fryer custard ultra-tender)

[ ] 2 tbsp herbs, 1 tbsp olive oil Fresh Basil, Flat-Leaf Parsley & Olive Oil

STEP-BY-STEP CULINARY INSTRUCTIONS

Step 1: Preheat Air Fryer & Grease Cake Pan [2 mins]
Preheat your air fryer to 350F (175C). Brush a 7-inch or 8-inch round oven-safe cake pan, pie dish, or silicone liner with 1 tablespoon of olive oil.

Step 2: Whisk the Creamy Egg & Pecorino Custard [3 mins]
In a mixing bowl, whisk the 6 eggs, ricotta (or milk), grated Pecorino Romano, chopped basil, parsley, sea salt, and black pepper until frothy.

Step 3: Fold in Green Beans & Shallots [1 mins]
Stir the tender green beans and thinly sliced shallots into the egg mixture and pour into the prepared pan.

Step 4: Air-Fry at 350F for 12-14 Minutes [13 mins]
Place the pan in the air-fryer basket and cook at 350F (175C) for 12 to 14 minutes until puffed, golden brown on top, and just set in the center. Slice into wedges and serve warm or at room temperature.

CHEF'S PRO TIPS & STORAGE

* Why the Air Fryer Makes a Better Frittata: Circulating convection heat cooks the top and bottom evenly without ever having to flip the frittata on the stove!
* In Italy, cold frittata wedges stuffed inside crusty bread (Panino con la Frittata) are the #1 picnic and work lunch.
